Dr. Robert H. Bahmer
Archivist of the United States
National Archives and Research Service
Washington, D. C.

Dear Dr. Bahmer:

There are not fewer than two FBI interviews with Kerry W. Thornley, of which I would like copies, as well as of all other references to him.

The Commission xeroxed his manuscript, @The Idle Warriors", about Oswald. I would like to know the number of pages before ordering copies.

I would also like copies of interviews with the New Orleans librarians, including Jacob Leichner and Norman J. Gallo.

One of Jack Ruby's strippers whose name I have as G. S. Shufer was interviewed by the FBI, I have been informed. I would like copies of all interviews with her and reports about her. She may have performed under the names "Palomino" or "Cochise".

Yours truly,

Harold Weisberg
